WHEREAS, serious local problems arise with no existing statute controlling the issues of fireworks, signage, abandoned properties and sexually oriented businesses thereby requiring action by the State Legislature to address them, which is cumbersome and time consuming for all concerned; and

WHEREAS, the County Commissioners Courts are more familiar with the issues of fireworks, signage, abandoned properties and sexually oriented businesses and can more effectively address those issues than the State Legislature which has equally more urgent statewide issues on which to more efficiently spend its limited time.

NOW, THEREFORE, BE IT RESOLVED, by the North Houston Association, that we urge the members of the Texas Legislature from Harris and Montgomery Counties together with the members from other counties in Texas, to enact appropriate legislation, granting Commissioners Courts of Harris and Montgomery Counties, Texas, ordinance making powers controlling fireworks, signage, abandoned properties and sexually oriented businesses in the unincorporated areas of Harris and Montgomery Counties, Texas.

ADOPTED this 8th day of November, 2006, by the North Houston Association as evidenced by the signatures of the Chairman of the Board and President.
