North Houston Association Presented Award

Houston, Texas (February 23, 2010) The North Houston Association (NHA) was recently presented the “Founder Award” from the Greens Bayou Corridor Coalition (GBCC). The award was given to NHA “For Stewarding The Coalition Through Its Early Years”. Paula Lenz, Executive Director for NHA, accepted the award at the GBCC Annual Meeting on February 18, 2010. The award was presented by Bill Franks, Oxberry Group and GBCC Chairman, and Regina Lindsey, GBCC Executive Director.

NHA launched the Greens Bayou Corridor initiative in early 2006 as part of the work of the association’s Environment Committee. After two years, the initiative became a new non-profit organization called the Greens Bayou Corridor Coalition (www.greensbayou.org).

The North Houston Association is a non-profit organization that identifies, advocates and supports projects and initiatives which advance the business environment and improve the quality of life in north Harris and south Montgomery counties. See www.north-houston.com . Follow us on Facebook!
