WHEREAS, the North Houston Association represents major employers, land owners, developers, professional firms and financial and commercial institutions and is dedicated to improving the quality of life in the north Houston area; and

WHEREAS, high-quality infrastructure, including roads and bridges, is an essential requirement for continued growth and economic development; and

WHEREAS, the North Houston Association passed a resolution on May 12, 2004 in support of the proposed SH 99 (Grand Parkway) and specifically Segments E, F1, F2 and G. The resolution stated the North Houston Association strongly supports the Grand Parkway Association's recommended alignment or a similar alignment.

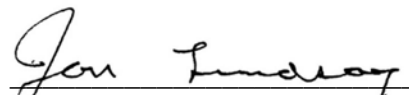

WHEREAS, our focus on enhancing the quality of life for the region, including neighborhood integrity, natural vegetation, and wetlands areas, and assuring that the north Houston area is an attractive place for businesses to relocate or expand and for families to live is paramount in our mission while the population in our area continues to grow rapidly.

NOW, THEREFORE BE IT RESOLVED that the North Houston Association strongly supports that the Texas Department of Transportation and Harris County Toll Road Authority expediently come into joint agreement in partnering in the funding of the engineering design and construction of the Grand Parkway specially Segments E, F1, F2 and G. This will ultimately create a cost-effective, efficient transportation system essential for the quality of life that we support.

ADOPTED this 8th day of November, 2006.
