Adjourn

North Houston Association

2022 Transportation Committee Goals

NHA's Transportation Committee meets monthly in a lunch and learn format. These members-only meetings begin with a featured speaker and there is time for agency/community reports following the presentation. All NHA members are invited to attend all committee meetings. Committees are where many Association project ideas begin, where regional issues are discussed, and policy positions taken.

GOALS

- Connect government entities, agencies, community organizations and business representatives, with the purpose of fostering continued communication about transportation topics. (Strategic Plan Goal IC)
- Influence transportation issues as we identify and advocate for measures to implement appropriate transportation strategies that improve the north Houston region. (Strategic Plan Goal IIIA)
- Educate North Houston Association (NHA) members about transportation issues and regulations important to businesses and communities in the north Houston region, seeking out all sides of transportation matters to better position the Association for informed and balanced recommendations. (Strategic Plan Goal IIID)
- Track the priority mobility projects on the NHA Strategic Mobility Plan, using it to advocate for project progress. (Strategic Plan Goal IIID)

HOUSTON- GALVESTON AREA COUNCIL
SERVING TODAY ▪ PLANNING FOR TOMORROW

Craig Raborn is the Director of Transportation for the Houston-Galveston Area Council. As the director of transportation, Craig leads transportation planning efforts for the eight-county Houston-Galveston metropolitan planning area, which includes the counties of Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery, and Waller, and is home to 6.7 million residents. He also helps guide the Transportation Policy Council, the region's transportation policymaking body, to establish future investment priorities and projects that support sustainable growth, increased safety and mobility, enhanced economic vitality, and superior quality of life. Craig has more than 20 years of experience in regional transportation planning, land-use planning, and climate and sustainability-related planning.

The Houston-Galveston Area Council covers over 12,000 square miles along the Texas Gulf Coast region, which includes 13 counties, more than 100 cities and towns, and 7.2 million people.
