We kicked off the year with a transportation luncheon featuring TxDOT Commissioner Laura Ryan & Harris County Pct. 3 Commissioner Tom Ramsey as moderator

NHA increased our follower count on all social media platforms in 2022, but most notably on LinkedIn. Followers there have grown by over 500 people.

With 9 events total, NHA welcomed over 1000 people to connect in 2022. Topics ranged from transportation and our Strategic Mobility Plan update, to welcoming new elected officials. We also held our Awards Ceremony & Annual Flood Control Breakfast.

NHA regularly gives back a part of what is earned at the Annual Golf Tournament. This year we did the same with funds raised at the 40th Birthday Party. The Conroe VFW was designated the recipient of these funds

After 5 years of advocacy, the City of Houston, Harris County and TxDOT came to an agreement on the North Houston Highway Improvement Plan (NHHIP) so the \$10 billion project can begin.

Over the course of the year, NHA's membership proudly grew by 20 companies. These companies include engineering firms, banks, law firms, construction services, and public agencies

NHA provided more than 113 economic development lead opportunities to NHA developer members.

NHA celebrated its 40th Anniversary with a birthday party. Guests included 15 historical figures from our past & 100+ current members

NHA Water & Environment Committee split to create 2 separate groups. With our 4 committees NHA hosted 25 meetings featuring experts & electeds in various fields. These meetings boasted over 750 attendees.

Montgomery County Commissioner Charlie Riley & his band played as the entertainment for NHA's 40th Birthday

NHA staff was blessed to grow by 1! Ingrid Romero is our new administrative assistant and took over some of Sherri Rogers' tasks. Sherri became our first full time remote employee after moving to Athens, Texas and becoming Accounting Administrator

NHA wrote a letter to Congressman Dan Crenshaw and successfully advocated for funding to complete the Bear Branch Dam Modification Project.

NHA President, Marlisa Briggs, in Austin at the Texas Transportation Commission. She testified to show NHA's support of the North Houston Highway Improvement Project staying in the Unified Transportation Plan.

The Gosling Memorial Bridge, a project NHA had advocated for since 2018, came to completion and was celebrated with a ribbon cutting and dedication to LJA's Past President, Calvin Ladner.

NHA moved offices to 21021 Spring Brook Plaza Dr. #175

NHA Staff also took a day trip to Austin with Houston Stronger. The trip's purpose was to educate congressional staffers on the ask of \$5 billion to go toward the Flood Infrastructure Fund.
