Seneca Holland Bio

Seneca Holland is a Geospatial Research Scientist at the Conrad Blucher Institute for Surveying and Science, and an Instructor of Geospatial Science in the College of Engineering and Computer Science at TAMU-CC. Seneca Holland has an MA in Geography from the University of Georgia and a Bachelor of Science in Geography from Florida State University. Her academic expertise is in broadening that awareness of geospatial education, the merging of geomatics and InSAR, and the use of AI in geospatial technology. She is the Director of the Spatial {Query} Lab at CBI, whose mission is to make geospatial technology, education, and information accessible to everyone.
